

At Kasbah Tamadot, we've got some great ideas for activities for kids under 12 years old. Because the property is small and intimate, and because we know each child is different, we do not operate a set programme. Instead we offer a fantastic range of activities that we tailor to each child or group.

ACTIVITIES FOR KIDS: Here are some ideas of the sorts of things we can organise...

- Get acquainted with our resident mules, Parmesan and Paprika then go for a ride around the property and the nearby village. Our mules are always happy to show your kids around!* We also have two camels, Pickle and Pumpkin and four donkeys – Pudding, Plum, Peaches and Parsley
- Go on a Moroccan treasure hunt
- Learn how to make delicious Moroccan dishes and take home the recipes
- Play some games in the lounge or settle in to watch a favourite DVD
- Enjoy a ride on our resident camel*
- Get a feel for the local culture with a Moroccan tea party
- Spend the morning painting their nails with our spa therapists
- Ride the bumps on a 4 wheel drive excursion in the mountains
- Play some table tennis or actual tennis
- Discover some of the local plants on a nature walk

We also offer a young diners menu with meals especially designed for kids, including some Moroccan-themed dishes so they can try something new. These dishes are available as part of our à la carte menu and vary in price from 50-70 Dirhams. Dedicated babysitting is available for 120 Dirhams per hour. This service will be provided by a local member of staff with plenty of experience with children. Please make sure you give us some advance notice so we can make all the arrangements before you arrive.

If you have a larger group of children we can arrange a set programme provided we get advance notice – just let us know the ages and interests of the kids concerned, and we'll come up with something to keep them entertained. Remember that all of this is at no extra cost, unless a charge has been mentioned above. And lastly, we understand that every child is different so if you want anything specific provided for your particular child then please let us know and we will do everything we can to ensure their stay runs just how you want it to.

**We recommend children under the age of 12 be accompanied by a responsible adult*
